**Brief Summary of Selected Substantive Portions of this Response**

[0001] In a telephone discussion on January 8, 2008, the Examiner indicated that the proposed amendments to the specification would likely overcome the objections and the proposed claim amendments would likely overcome the cited art.

[0002] This brief summary is not intended to represent the Applicant's full response to the Action. Rather, it is merely a brief summary of selected substantive portions of the response herein.
